

Doubletree Hotel Portland

The Doubletree Hotel Portland is one of the “greenest” hotel properties on the West Coast. The property is systematically examining its purchasing decisions and resource use to identify areas of improvement.

The Doubletree Portland has earned a Green Seal Certification for the Lodging Industry, signifying that his property meets the Green Seal Environmental Standard for U.S. Lodging Properties for waste minimization, water and energy efficiency, hazardous substances handling, and environmentally responsible purchasing.

Some of the property’s impressive accomplishments to date include:

The Doubletree has **reduced its annual waste disposal by 67%** since 1996.

Kitchen waste is being diverted at an average rate of **17 tons of compost per month.**

An employee paper- saving program has **reduced office paper purchasing by 20%** annually.

Retrofits have **reduced water usage by 15%**, and **reduced total energy consumption by 32%**.

Employee mass transit subsidies have **saved 85,500 gallons of gasoline** since the program started in 1999.

Adopted comprehensive **recycling program for containers, office products, cooking oil, and fluorescent light bulbs.**

Implemented a comprehensive **Environmental Purchasing Policy**

Purchases 1,500,000 kilowatt hours of its electricity from **wind power** each year, which equates to ~ 25%

Purchases 65% of its food products from **within a 500- mile region.**

The awards and certifications that the Doubletree has earned to date include:

- Pacific Power: Blue Sky Program’s “Certificate of Environmental Stewardship- Blue Sky Visionary”
- American Hotel & Lodging Association’s “Good Earthkeeping” Award
- US Environmental Protection Agency’s “Commuter Choice Leadership Initiative” Transportation Award
- City of Portland’s “Blue Works Business” Recycling Certification
- City of Portland’s Businesses for an Environmentally Sustainable Tomorrow (BEST) Award - BEST Practices for Sustainability for a Large Company
- Oregon Business Magazine’s “100 Best Companies To Work For” Award
